

The
Frederick
Gunn
School

Dear Students and Families,

For the 2020-2021 academic year, The Frederick Gunn School and E&R – The Campus Laundry will once again partner to provide laundry services to all interested students to better meet our community's needs. Anyone who has been in academia for a number of years comes to understand certain realities about student life; in

particular that cleaning rooms and laundering clothes and bed sheets have become low priorities for many students, given their increasingly busy schedules.

Let E&R - The Campus Laundry provide you with 80 to 100 valuable extra hours each school year with its weekly on-campus laundry and dry cleaning services. All plans include weekly cleaning of personal bed and bath linens. We recommend that you consider one of E&R's plans. Additional details are provided in this brochure.

By using E&R laundry services your student will be able to:

- Focus on academics
- Maximize FREE time: they've earned it
- Always look sharp and present themselves well
- Enjoy a healthy and clean lifestyle
- Know that their laundry is cleaned in a world-class, environmentally-friendly facility

Over the years, E&R – The Campus Laundry has demonstrated a proven track record of providing reliable, professional, and top quality service to our students. **As such, we encourage each of our families to review the enclosed materials, choose a plan, and ensure their student makes the most of their time on campus.**

Sincerely,

Christopher W. Cowell
CFO/Business Manager

You can register for E&R's services or obtain further information at www.TheCampusLaundry.com or by phone at 800-243-7789. Please register by August 15, 2020 to ensure your student will have a bag waiting on campus.

“Certified Clean”

According to the Huffington Post “Laundering linens, clothing, and towels at twice the usual frequency and to always use the hottest water possible.”

“Wash shirts after every wear, and dresses, skirts, and pants every three wears.”

Good Housekeeping

“Current research suggests that the SARS-CoV-2 virus cannot withstand temperatures above 70°C (158°F).”

CDC

“Regular washing of clothes and bedding, helps to remove any bacteria, dirt, fleas, mites and other irritants or infection.”

Housing for Health

“I generally recommend that sheets and pillowcases be washed once per week.”
